

Driving directions to Phoenix Fabrication:

From Route 24, North or South: Follow 24 to exit # 14 (a or b) to Route 495 South. Follow 495 South to Exit 5 (the Middleborough Rotary). Follow the rotary around to Route 44 East (toward Plymouth). Follow 44 East to where it divides; take Route 3 North. Then, follow the directions below from Route 3 North.

From Route 495, North or South: Follow 495 North or South to Exit 5 (the Middleborough Rotary). Follow the rotary around to Route 44 East (toward Plymouth). Follow 44 East to where it divides; take Route 3 North. Then, follow the directions below from Route 3 North.

From Route 3, (North or South): Take Exit 9 to Route 3A at the end of the ramp. Take 3A west (away from Plymouth), down the hill to the light at the bridge crossing the Jones River. As you go through the light and up the hill, bear to the left at the fork onto Route 106, Main Street. Follow to the next light (there will be a large Cumberland Farms directly across the 4-way intersection) and bear left again, following Route 106 (Main Street becomes Wapping Road at this point. Follow for a mile or so until you come to Ring Road on your left. Turn onto Ring Road; we are the first entrance on the left.

From Route 28 in Bridgewater: Follow Route 106 East through Halifax and Plympton into Kingston. You will pass Kingston Trailers on your right; follow Route 106 for another mile or so to Ring Road on your right. Take the right onto Ring Road, into the first entrance on your left.

For your smartphone, Garmin, Magellan or other nav system, we are located at:

106 Wapping Road, Back Barn, Kingston, MA 02364

(41.59.25N, 70.46.07W)

However,

Please note: If you are using MapQuest, Google Earth or other on-line mapping programs, we have found that they can be off by a substantial distance. We like to use a local landmark, "The Frosty Cow" (113 Wapping Road), which is on the same side of Wapping Road as we are, on the other corner of Ring Road. You will recognize it by the big plastic ice cream cone out front.

If all else fails and you get lost, call Eric at 781.424.8076.
